Long-Awaited Grass L. Bridge May Be Reality

To Be Built During 1946, Lakes Group Is Told by Governor Green

Assurance that the long-awaited bridge across the Fox river at the junction of Grass and Fox lakes will be completed some time in 1946 was given to a delegation of lake region residents by Illinois Governor Dwight Green Tuesday in Springfield.

Present from Antioch were Harry J. Krueger, William A. Rosing, Ed. F. Vos, and C. K. Anderson; from Lake Villa, William M. Marks and Dan S. Boyer, while Fox Lake was represented by Mayor Arthur J. Amundsen. Accompanying them were Senator Ray Paddock, Representatives Nick Keller and Harold D. Kelsey, Lake County Engineer R. M. Lobdell, Director Rosenfield of the department of public works, and John Sheldon of the Lake County Republican committee.

The delegation met with Governor Green by appointment at 2:30 p. m. Tuesday to discuss plans for improvement and conservation work in the lakes region during the coming year.

Some preliminary work has already been done for the construction of the bridge, which will unite Grass Lake road with a roadway across the channel from it.

Will Save Travel.
The project is one that has "hung fire" for a period of about 15 years. It will unite that part of Antioch township (precinct 3) on the west side of Grass Lake with the other two precincts.

It will also shorten by many miles the journey necessary in crossing from the east side of the Fox River Chain-of-Lakes to the west side, or from west to east, since the only routes heretofore have been the roundabout ones by way of Highway 173 or Grand avenue.

\$124,000 Additional
In addition to the regular biennial appropriation of \$50,000 for channel dredging and other improvements around the lakes, there is to be an extra appropriation of \$64,000 for 1946 and 1947 improvements in the Chain-of-Lakes.

During the war period, contractors were unable to carry out this work. Appropriations made in the past for these purposes do not accumulate, if unused, but revert back to the state treasury, it was explained, hence new appropriations had to be made for the work now being planned.

The \$50,000 and \$64,000 appropriations will be in addition to the funds necessary for the bridge, the cost of which will be borne half by the state and half by the federal government, the delegation was given to understand.

Christmas Concert to Feature Specialties

Solos and specialties will be featured in the annual Christmas concert to be presented by the Antioch Township High School chorus and the Sequoia Music Makers Monday evening, Dec. 17, at 8 o'clock in the school auditorium.

The "Music Makers" orchestra features popular selections.

No admission will be charged for the concert, which is being sponsored by the High School Parent-Teacher association, but a collection will be received for the benefit of the Red Cross.

Hans von Holwede is director of the music groups.

Willow Farms Products Company Is Launched

A new business venture here is the Willow Farms Dairy Products company recently organized by L. Carpenter. Carpenter was formerly with the Willow Dale dairy, and has also been in the employ of Scott's dairy and the Borden plant at Waukesha, Wis., in the past. Associated with him in the new enterprise is Norman Rockow, a returned serviceman formerly employed at Willow Dale dairy.

Automobile Belonging to Robert Strang Is Missing

Still being sought by local and Lake county authorities is the black 1937 Ford sedan which was stolen from the east side of Main street, across from the Antioch Recreation bowling alleys, where Robert Strang had parked it while he was bowling Thursday evening. Strang had recently returned from the service with the army.

Wray Sheen, 832 Eighth street, Waukegan, has been granted a discharge at Great Lakes.

Hunters May Now Hold Game Longer in Storage

Illinois hunters may now store legally taken game in their lockers for indefinite periods, the previous time limit on the possession of game having been abolished by the General Assembly.

Livingston E. Osborne, state director of conservation, points out that federal regulations still require that migratory water fowl be disposed of within 90 days after the close of the hunting season.

The possession limit for ducks is 20 of all kinds, including not more than 1 wood duck; for geese, 8 blue or snow fowl plus 4 of other kinds. Possession limits set by the Illinois game code are: pheasant 6; quail 36; squirrels 15, and rabbits 45.

**VICTOR L. JOHNSON IN
N. D. BAKER HOSPITAL.**
A news release from Martinsburg, W. Va., dated Nov. 28, says—

"Cpl. Victor L. Johnson of P. O. Box 112, Antioch, Ill., has arrived at this hospital for treatment.

"He served seven months in France and Germany with headquarters and headquarters squadron, Ninth Air Force, and returned to the States in October of this year.

"He has been in the army for three years and seven months, and wears the ETO ribbon with battle stars, the Good Conduct medal, the American Defense, Victory and American Theater ribbons.

"He attended the Crane Evening college in Chicago and was employed in Chicago before entering the army. His parents, Mr. and Mrs. Oscar Johnson, reside at Antioch."

**LAUREL VAN PATTEN IS
ON HIS WAY HOME NOW**

From the Public Information office, Commander Service force, United States Pacific fleet, comes the word that—

"Tec. 4 Laurel R. Van Patten, of 321 Ida avenue, Antioch, Ill., is on his way home.

"Van Patten is one of the 1,100 high-point Army veterans whom the 'Magic Carpet' is bringing back to the United States aboard the U. S. S. Tripole.

"The U. S. S. Tripole—one of more than 250 carrier, battleship, cruiser and attack transports in the Navy's famed 'Magic Carpet' fleet—left Pearl Harbor Thursday, Nov. 29, and was scheduled to arrive in San Pedro, Calif., on Wednesday of this week. "Passengers will go directly to the separation centers nearest their homes to complete the formalities of obtaining their discharges before returning to civilian life."

First Lt. Charles R. Kriebel, son of Mrs. Sarah D. Kriebel of 447 St. James place, Chicago 14, Ill., is a member of the European division, Air Transport command, United States Army Air forces, commanded by Maj. Gen. Robert M. Webster. He is now serving at Orly field, ATCS Paris airfield, which is the most important air transportation terminus in Europe.

As the transatlantic supply line between the United States and Europe, ATCS' European division operates hundreds of cargo and passenger planes monthly. Among its assignments are the redeployment of troops by air, air evacuation of American wounded to the United States, the flying of whole blood and blood plasma from the United States to Europe, carrying high priority passengers and cargo and many tons of soldiers' mail.

Pvt. Stanley A. Binkowski, 46033766, Co. C, 107 ITB, 76th Regt., Camp Robinson, Little Rock, Ark., is anticipating overseas duty.

"First I wish to express my gratitude for sending me the paper these last months. But since my basic training has been completed, I am waiting to be assigned to an overseas outfit. It has been deemed necessary for you people to hold up sending me this newspaper for a while. I really did appreciate your kindness. It in a way brought a little of home out here. Therefore, I wish to thank everybody concerned."

H. A. Cunningham, CSF (AA) (T), was granted his discharge from the naval service at Great Lakes Nov. 28.

Warn Merchants and Public on Check Forgers

Local and Federal Authorities Urge Guard Against Theft of Checks

Antioch Chief of Police Fred Peterson today issued a reminder to local merchants that check thieves and check forgers, "do their Christmas shopping with stolen and forged checks if merchants and housewives aren't particularly careful."

Referring to the educational campaign now being conducted by the police departments of municipalities throughout the country and the United States Secret Service, Chief Peterson pointed out that "the government mails out more than one million checks every day, and about eight million go to dependents of men in the armed forces each month.

"Check thieves steal as many as they can from hall and porch mail boxes. Then they forge the endorsements and victimize retailers who are intent on their sales and fail to consider the losses they may suffer through carelessness."

The Antioch marshal and the Secret service offer some simple precautions to help fight the forgery racket—

"If you receive checks by mail, be at home or have a member of your family at home to receive the checks when they are due. Then they can't be stolen from your mail box.

"If you are a retailer or cashier, don't cash checks for strangers without proper identification. Know your endorser! Before cashing any checks, ask yourself this question: 'If this check is returned as a forgery, can I locate the forger and recover my loss?'

"Christmas is not a holiday for the check forger. He's on the job every minute, always looking for merchants he can fool. The only way to beat him is to beat him to the punch. Know your endorser—Require identification!"

Retired Lake Villa Farmer Passes Away at Waukesha, Wis.

Services Are Held Here Today for Albert M. Douglas, 73

Albert Mason Douglas, retired Lake Villa township farmer who passed away Monday morning at 11 o'clock in the Waukesha Memorial hospital, aged 73, was buried this afternoon in East Fox Lake cemetery, following services at 2 o'clock in the Strang Funeral home. The Rev. O. Merritt of the Waukesha Methodist church officiated.

Douglas had been in ill health for some time. He had been a resident of Lake Villa township until about two years ago, when he moved to Waukesha.

He was born at Sand Lake, Lake Villa township, April 15, 1872, and was the son of Isaac M. and Cornelia Douglas.

Surviving are his sons Oscar Douglas of Waukesha and Walter Douglas of Villa Park, Ill., four grandchildren, and a brother, Delbert Douglas, of Joliet, Ill.

COUNTY P. T. A. COUNCIL WILL MEET DECEMBER 12

A program centering around international relations will be presented before members of the Lake County Council of Parents and Teachers at Central school, Libertyville, Dec. 12, at 8 p. m., it is announced by Mrs. John Hojem, Channel Lake, council publicity chairman.

Mrs. Robert Nelson of Fox Lake, council program chairman, will introduce the speaker, Nita Benedict of Gurnee. In her capacity as council chairman on International Relations, Miss Benedict will talk on "New World 1945." Also featured will be a movie entitled "War and Peace." The Gurnee PTA will offer some "barbershop" harmony.

Local units of PTA District 26 are invited by the district director, Mrs. Joseph P. May, to send representatives to bring back the interesting material the meeting will provide.

BIRTHS

Members of Lakeside Rebekah lodge will assist in serving the luncheon at the close of the meeting, which will be open to the public.

Antioch Man Files Suit Over Wrecked Airplane

Damages in the amount of \$10,000 for wrecking a Ryan airplane belonging to William Nelson, Antioch, July 3 at the Waukegan airport are being sought in a suit filed by Nelson in the Lake County Circuit court against David Owen, Lake Forest. Owen, a licensed pilot who is now a student at Notre Dame university, was renting the plane at the time. Nelson bases the suit against Owen on the contention that Owen attempted to take off from the airport crosswind, in direct disregard to explicit directions given him by Wayne Carpenter, manager of the airport, and failed to clear the airport office building with the result that the plane was demolished and the building damaged. No one was seriously hurt in the crash.

Ceremony at Wilmot Unites Rita Seitz and Joseph Hilbert

Planning to make their home at Paddock's Lake are Mr. and Mrs. Joseph Hilbert, whose marriage took place Saturday, Nov. 24, at 9:30 a. m. in the Holy Name church at Wilmot with the Rev. Fr. O'Connor officiating.

The bride, the former Miss Rita Seitz, teacher at Antioch Grade school, is the daughter of Mr. and Mrs. Ferdinand Seitz, Salem, Wis. She is a graduate of the Racine-Kenosha Rural Normal school at Union Grove, Wis., and taught in Kenosha county school for two years before coming to Antioch. The bridegroom, who is the son of Mr. and Mrs. Nick Hilbert, attended Kenosha county schools and is employed at the Specialty Brass company in Kenosha.

A white princess style gown of satin, with lace inserts and a three-yard train, was worn by the bride, who was presented at the altar by her father. Her veil was of fingertip length and was caught at the head with a crown of seed pearls. She carried a bouquet of chrysanthemums.

The maid of honor, Shirley Sorenson, bridesmaid, Shirley Schmidt, junior bridesmaid, Monica Seitz (sister of the bride), were gownned alike in blue, with net overskirts and identical bouquets. Little Miss Donna Mae Reiter, who was costumed as a diminutive bride, was another attendant. Max Hilbert attended his brother as best man, and Norman Seitz, brother of the bride, was groomsmen. Robert Hilbert and Robert Raditz, Salem, were ushers.

Mrs. Arthur McGreal sang "Because."

Mrs. Seitz wore black, trimmed with gold, and Mrs. Hilbert was also in black. They wore matching corsages.

One hundred were entertained at a noon dinner and reception in Larwin's hotel, Camp Lake. Guests were present from Iowa, Rockford, Kenosha, Union Grove and Antioch.

Construction, Night Police Plans Studied

Council Adopts Resolutions to Ask State and Federal Aid

Antioch's plans for post-war construction and improvements received further impetus at the village board meeting Tuesday evening when resolutions were adopted for presenting applications to state and federal agencies for whatever portion of aid might be available from their funds for such purposes.

The proposed new municipal building and fire station, an addition and improvements for the new sewage disposal plant and the revision and improvement of the street lighting system in the business district are the projects included in the applications.

Copies of the plans and specifications which will accompany the applications were presented at the meeting by H. D. Bleck, Waukegan, who has been designated by the village board as the engineer in charge of drawing up the plans.

More Police Applications

Additional applications for the positions of night policemen were read by Village Clerk Roy L. Murrie. The expense to the village of maintaining full-time night police protection was tentatively estimated by Councilmen W. I. Scott and George Wagner at about \$3,000, including salary, maintenance of a squad car, insurance and bonding.

It was pointed out by President George B. Bartlett that the village budget at present does not allow provision for such a sum, and that as the present rate of taxation does not permit an increase in the taxes, it may be necessary to make special levies or special arrangements to insure sufficient funds.

"The suggestion has been received that we make this a part-time job," Bartlett said. "However, I do not believe that this would be a fair arrangement. It would not be right to ask a man to work during only part of the year or to try to carry on with another job at the same time. The only difficulty is, where is the money coming from?"

May Levy on Business

In the discussion as to ways and means it was pointed out by Bartlett that no such arrangement would be permitted as would result in Antioch being a "speed trap" or such as prevailed at one time in the past when a policeman was hired and told to "go out and earn his salary," presumably in the form of fines imposed by the police magistrate after arrests.

It was recalled also that within past years a night watchman had been privately employed, his salary being paid by the businesses which received this protection.

The suggestion was made that business concerns which could legally be taxed might be assessed a certain sum each through a "business license" system, this amount to be applied toward the fund for the night policeman's salary. One objection which has been made to supplying funds through this method is that, while the entire village would benefit by the increased police protection, the burden of expense would rest on a portion of the business group.

The finance committee of the council was appointed to investigate ways and means of raising the necessary funds, and to present a report at a meeting in the near future.

Plan Christmas Lights

Decorative Christmas lights will be put up in the business district for the holiday season this year, it was voted.

Outdoor Christmas lights had been discontinued during the war years, in order to conserve electricity.

Collect Clothing for "Relief for France"

Mrs. Ernest Brook, war service chairman of the Antioch Woman's club, is in charge of a collection of used clothing being made by the club for the benefit of American Relief for France, Inc.

Articles of clothing contributed should be brought to Mrs. Brook's home, 484 Lake street, afternoons or evenings, before Dec. 12.

The clothing should be practical, and in usable condition, it is emphasized.

Freight Derailment Disrupts Soo Service

De-railment of a fast freight train at Honey Creek, Wis., 25 miles north of the Illinois-Wisconsin state line, Friday caused the re-routing of Soo line trains from Grayslake north Friday night. Train service was resumed Saturday.

"Let Them Eat Cake"

The clothing situation has for quite some time reminded us of Marie Antoinette's classic reply when she was told that the people had no bread— "Why don't they eat cake?"

In the store windows were stunning sequin-trimmed gowns, tie-feathered hats, glittering costume jewelry; on the store counters—no diapers. There were lace-trimmed black sheer nighties and scanties—but no flannel pajamas—and no shorts! As for the dollar-ninety-eight housedress that flourished in long rows on the racks in pre-war days, it seemed to have gone with the wind. In its place were a few neat little highly tailored models at about ten-ninety-five. As for gents' long-handled underwear—it just wasn't to be found; and children's clothes of all kinds—there was a mighty thriving trading, loaning and giving-away of old clothes to keep some of the youngsters clad!

In short, there seemed to be mostly a dearth of utility clothing and a fairly good supply of everything that folks don't actually need.

We haven't been able to figure out just why this should be so, but our guess is that there is a considerably larger margin of manufacturer's profits on the luxury items—and that perhaps the materials used in them are also in less demand.

To many a housewife—and to many a merchant—we have no doubt, the return of the bedsheet will be an event of at least as great a cosmic importance as the return of the nylon, and kiddies' rompers will no doubt be displayed with quite as much eclat by proud merchants as will the returning "formal" gowns.

After all, there aren't so many folks who have had time to dress up in their best on many occasions—but practically everyone wears underwear, and didies are something that just naturally goes with babies.

Local merchants estimate that it will take from a few months to a year before their stocks are as complete as Antioch merchants have prided themselves on keeping them in the past, but are doing their best to supply the most urgent clothing needs of their customers and are, if anything, happier than the customer when some long-awaited shipment of utility goods is received.

MILLBURN

There was a large audience to hear Dr. Albert W. Palmer, president of the Chicago Theological Seminary, at the Sunday evening meeting on Dec. 2. He spoke the subject, "Wanted, A Code for Victors." Frank DeYoung, accompanied by Mrs. E. H. Marlin, sang "My Task" Light refreshments were served in the church dining room after the address by Dr. Palmer.

The second in the series of sound pictures sponsored by the C. E. society will be shown at the church on Saturday evening, Dec. 8. "Scrooge" an appropriate picture for this season of the year will be shown. The public is invited to attend. No admission will be charged, but an offering will be taken.

The Ladies' Aid society will meet at the church Thurs., Dec. 6, for a cafeteria dinner. The business meeting with the annual reports and election of officers will be held in the afternoon.

Time For A Show-Down

In a recent letter to Representative Gore, Democrat, of Tennessee, Bernard M. Baruch gave the people of the United States sound advice and warned labor and management to settle their differences or face government intervention. He recommended an inventory of the resources of our nation so we might have "an overall picture of the balance sheet of the country."

He also urged an examination of our productive capacity "to see that enough of what is produced remains in the United States to avoid disastrous inflation, and then how much to allocate for the rehabilitation of Europe, China, the Philippines."

"Unless this dividing is done wisely, we will sink and the whole world will go down with us. We should direct our aid to foreign countries by giving priority to those who need the most and who will use it to help set themselves on their feet."

"If we promise loans to foreigners, the money will be useless if they cannot buy the goods from our production here."

"Such demands will further inflation temporarily because they aggravate demands here. There is no use giving foreigners credit (or our citizens greater buying power through increased wages and decreased taxes) unless we are willing to establish priorities which will ration our production where we want it to go until production increases."

"We must be careful when we give aid to other countries, that this aid is not used to nationalize their industries against us, to destroy our own competitive system which, I think, should be preserved. England, Czechoslovakia, France and other countries are nationalizing or about to nationalize their industries. Russia has totalized herself—one buyer and one seller—and is totalizing all countries coming under her aegis."

Mr. Baruch might well have gone farther and said that our Federal policy of making loans and grants in our own country to "nationalize" great segments of American industry, through government ownership and competition, is as destructive of American enterprise as are loans to foreign nations that promote similar socialization of productive activity.

Mr. Baruch stressed the inescapable fact that the race between rising wages and prices is a creature of "our own procrastination and negligence." Everything should have been included in the original price control bill—all the elements of cost, wages, rents. "Failure to do so has started the race—"

"Tax reductions should have been more considered, outlined and then put into effect, and only after the inventory into our national wealth and liabilities was known. . . . Even now it would not take long. . . . Then we would have the facts—not fictions stirred by all the contending pressure groups trying to help themselves in prices, wages and taxes for their own interests and ignoring the general good."

Are we too dumb or too selfish as a people to listen to such elemental reasoning?

"Me... I'm staying
in the Army!"

THERE ARE PLENTY
OF REASONS...
AND HERE THEY ARE!"

1 "First, I keep my present grade. That means a lot."

2 "By reenlisting for 3 years I can pick my own branch of service in the Air, Ground or Service Forces, and can go to any overseas theater I wish."

3 "I get my mustering-out pay, even though I'm reenlisting. Also, I get \$50 a year reenlistment bonus for each year I've been in the Army. My dependents receive family allowances for the full term of my enlistment. And I'll be eligible for GI Bill of Rights benefits when I get out of the Army."

4 "My food, clothes, quarters, medical and dental care are all supplied to me. And I can learn any of 200 skills or trades in the Army schools."

5 "All of us who are reenlisting are going to have from 30 to 90 days' furlough at home with full pay and our travel paid both ways. And we'll have 30 days' furlough every year with pay."

6 "Any time after 20 years I can retire at half pay increasing year by year to three-quarters retirement pay after 30 years of service. And the time I've already served in active military or naval service counts toward my retirement time. Added up—reenlistment seems pretty sound to me!"

JANUARY 31, 1946

AN IMPORTANT DATE
FOR MEN IN THE ARMY

MEN now in Army who reenlist before February 1 will be reenlisted in present grade. Men honorably discharged can reenlist within 20 days after discharge in grade held at time of discharge, provided they reenlist before February 1, 1946.

You may enlist AT ANY TIME for 1½, 2 or 3 year periods. (One-year enlistments for men now in the Army with at least 6 months of service.)

Wondering when those new Home Appliances will be Available to YOU?

Check this latest chart on quantities and deliveries

APPLIANCES	AVAILABLE NOW	AVAILABLE IN THE NEAR FUTURE
Waffle Irons, Toasters, Smaller Appliances		Some dealers should have limited stocks for Christmas.
Ranges	Many neighborhood dealers already have some models for sale.	Good quantities should be available after January 1.
Refrigerators	A few are now in stock at most dealers' stores.	There should be plenty ready for you after early January.
Washing Machines	Deliveries of first models are being made to many dealers.	
Irons	Most dealers have a limited stock for sale.	
Vacuum Cleaners		See your dealer. He should have a limited supply soon.
Automatic Ironers		Automatic ironers will probably be ready after the first of the year.
Home Freezers		A few may be on the market after January 1. Good quantities will be on dealers' floors by early spring.
Home Heating Units		Some may be ready next-month. A good supply will be on sale by late spring.
Water Heaters	In some cases available now. May be generally available by early 1946.	

The timetable above is based on the best information which manufacturers can give us. However, some deliveries may be held up by unforeseen delays, while faster reconversion may speed others. If the appliances you want are not at your neighborhood dealers now, they'll be coming in soon. While no appliances are yet available at your Public Service Store, stop in occasionally for latest news. When they are in stock, you will be notified through these columns.

Eastern Star to Hold Installation Saturday

Mrs. Helen Carlson will be installed as worthy matron of the Antioch Eastern Star chapter Saturday evening, Dec. 8, in the Masonic temple. She succeeds Mrs. Helen Chapman. Joseph Horton is the new worthy patron; succeeding Richard Chapman. Harriet Davis and Ralph Kinrade will be installed as associate matron and patron.

A social hour and luncheon in the dining room will follow the installation.

GRADE P. T. A. WILL ENJOY YULE MUSIC
A program of Christmas music, to be given by the Grade school pupils under the direction of Hans Von Holwede, will be enjoyed at a meeting of the Grade School Parent Teacher association Monday evening at 8 o'clock in the schoolhouse.

OLD-TIME STYLES DELIGHT AUDIENCE AT STYLE PROGRAM

A wedding gown of the period around 1886, belonging to Mrs. William Kempf, an opera cape, muff and hats were among the articles of clothing modeled at a style show which was given for the Antioch Business and Professional Women's club Monday evening at its meeting in the Grade school.

Authentic lingerie of an early period, including a night-gown, chemise, pantalettes and an elaborate ruffled petticoat, contributed by Mrs. William Cooper, also delighted the audience by its contrast with modern styles.

Winter and advance spring styles, in sheer materials and cottons as well as in heavier fabrics were shown through the courtesy of Mrs. Anne's. Hats and purses to complement the costumes were also supplied by Mrs. Anne's.

Serving as models were Meses T. R. Birkhead, Ralph Thompson and R. D. Whitacre; the Misses Geraldine Giddings and Joan Felter.

A pot luck supper preceded a business meeting and the style show.

SALEM

Mr. and Mrs. Lee Thomas of Kenosha spent Sunday afternoon with Mr. and Mrs. George Walton and son, Lawrence.

Mr. and Mrs. Frank Mashek of Chicago have taken up their residence in the Walter Keen house which H. W. Schultz recently purchased and modernized.

The auction sale sponsored by the Priscillas at Salem hall Friday evening drew a good crowd and netted the ladies a fine profit. A luncheon was served by the committee in charge and dancing closed the evening's entertainment. Earl Elfers of Rock Lake proved an able auctioneer.

Mrs. M. W. Bloss has returned from the Kenosha hospital with their infant son, Michael.

The E. H. Hartnells are remodeling their residence on Lake street, adding a sun parlor and enclosing the porch. Messrs. Orville Riggs, David Elfers, Alfred Schultz, Emerald Schultz, Fred Fox, Joseph Fox, J. J. Nickel, Frank Schultz, and Cecil Elyea have returned from the northern part of the state, where they were deer hunting the past week, bringing with them a goodly number of deer.

The Priscillas will meet on Thursday afternoon at the home of Mrs. William Fletcher.

Mr. and Mrs. Clarence Schuld and son, Carter, were Sunday dinner guests of Mr. and Mrs. Ray Brandes of Mound Center. The party was in honor of T/Sgt. John Brandes, who was recently discharged from the U. S. Army, following four years of service, many months of which had been in the Pacific war zone.

Mrs. Charles Wagin had as her weekend guests Mr. and Mrs. Edward Roth and Mr. and Mrs. A. Boettcher of Chicago.

Mrs. Ray Patrick of Aurora, Ill., arrived here Saturday and remained over Sunday with Mr. and Mrs. Byron Patrick. On Sunday afternoon, the Patricks, accompanied by Mr. and Mrs. Robert Imrie, drove to Aurora with her and spent the evening there.

Mrs. Anna Thompson and daughter, Jeanette, have returned to the M. W. Bloss home after spending the past ten days at the Joseph Dorau home in Kenosha.

Mrs. Annie Minnis and daughter,

Miss Enola, were at Racine Sunday to attend a family party at the George Mandernack home. Others present were the Elmer Getkas of Slades Corners, Annette and James Huntton, Brass Ball Corners, the Misses Lucia Minnis and Carol Poynter of Kenosha, and members of the Mandernack family.

Mr. and Mrs. George Beimer entertained the members of their pinochle club Saturday evening with Messrs. and Meses. E. T. Manning, Lee DeBell, Frank Fox, Harry Olsen, and John Nau as guests. Refreshments were served at the close of the evening.

The Cook brothers, William and Clarence, of Brass Ball Corners, spent Sunday in Kenosha at the Andrew Fennema home.

Mrs. George Beimer was hostess to members of the family recently in observance of the birthday anniversary of her granddaughter, Judith Schaeften, and that of herself. The ladies met for a pot-luck dinner and spent the afternoon socially. Attending were Mrs. Andrew Fennema of

Kenosha, Meses. Miner Hartnell, E. H. Hartnell, Arthur Cook and two daughters, Louise and Dianne, and Ernest Schaeften all of Salem, Mrs. Harold Fennema and son, David of Antioch. In the evening, the Schaeftens entertained members of the Schaeften family in honor of family birthday anniversaries.

YOUR VICTORY BONDS WILL

CONTINUE THIS! ... The care and cure of our tragic thousands of wounded. Victory Bonds help pay the cost! And they'll help pay for bringing all our boys back home—help wind up the war's colossal expense that made victory possible.

PREVENT THIS! ... The bitter aftermath of squandered money that leads to inflation. No work—no living for the men who helped to make a better America! Depression can't strike if we have a secure backlog of Victory Bonds!

ASSURE THIS! ... The necessary reserve that son of yours who's coming back to the farm will want for future repairs ... for refertilizing the land ... for erosion control ... all the things that must be done to make the farm a better paying business.

The law* now says—

YOU CAN'T DRIVE YOUR CAR

IF you should have an accident and lack the money or insurance to cover possible claims that may follow. Here's how this new law works:

If you have an automobile accident which kills or injures any other person or causes over \$50 property damage, you must—within 60 days—do one of these things:

1. Show you have Automobile Insurance that covers the accident, or
2. Prove that you have arranged to pay any resulting claims against you, or have been cleared of liability for such claims, or
3. Put up cash or other securities, as required by state authorities, sufficient to cover possible claims, up to as much as \$10,000 for death or injury cases, and \$1,000 for property damage.

Unless these requirements are met promptly, your license will be suspended and you will be forbidden to use any car in this state.

Your best bet is Hartford Insurance

Hartford's Automobile Liability and Property Damage insurance is tailor-made to fit this new law.

In case of accident, a Hartford policy will give you double protection. It helps you to retain your right to drive. And it will pay—up to its limits—any claims or judgments awarded against you.

If you lose the right to drive your car, it may be a serious inconvenience. If a court judgment strips you of your home and security, it's a catastrophe.

For your own protection, the security of your family, and to safeguard your driving rights, act now to get Hartford Automobile Liability and Property Damage insurance. The value is great—the cost reasonable! Here are the rates:
